

Workplace Violence (WPV) in HealthCare - Resources

Supplemental References and Resources for the 'Stop Violence in Health Care: A Toolkit for Prevention and Management of WPV' 2nd edition (2020)

Available at: www.oahhs.org/safety

Updated January 2024.

Provided by
Lynda Enos, RN, BSN, MS, COHN-S, CPE
Author of the Stop Violence in Health Care Toolkit
HumanFit, LLC., www.humanfit@aol.com

WPV in health care is an evolving topic and new WPV related research and resources are frequently published.

To assist the users of the *Stop Violence in Health Care Toolkit* stay updated, the following is a list of selected resources and references published in peer reviewed and other professional journals related to WPV in health care, that have been **published since** the release of the 2nd edition of the Toolkit in March 2020.

Note that some WPV related subjects may be listed in multiple topical sections of this document

Contents
